

May, 25th. 2005

The new forum for the linuxhowtos.org sites is finally online.

You can reach the forum at forum.linuxhowtos.org

or by clicking on the link at the end of each article.

The links bring you directly to the thread related to the currently viewed article. If you are the first one to comment on this and you are logged into the forum, you will be taken directly to the new thread form.

Happy posting.
