This week the site recorded the 150.000th hit on the newsticker files. 763 clicks were made because of these newsfeeds.

(That's a click rate of ~ 0.49% . I think thats good for newsfeeds).

Keep on fetching and more important, spread the word about this site.

Thanks in advance.

Btw, there was a small bug in the userrating script. It has been fixed and previous ratings have been applied.
